## **AWANA – Club Team of the Month Year Program Current as of: 1 August 2014**

The Club Team of the Month (CToM) is intended to foster a spirit of healthy competition between Club teams within Cubbies, Sparks, T&T Boys and T&T Girls. Competition is NOT between Clubs, but between the "color" teams within those Clubs, so each month four teams will be rewarded for their hard work in meeting each month's specific theme or challenge. This contest may include leaders as well depending on the month's theme.

At the start of each month, the AWANA staff will select a theme or challenge. Examples are listed below:

- † Attendance
- † Missions Support
- † Visitors
- † Uniform Wear (to include pins and badges)
- † Handbook Sections
- † Participation in theme nights

While the AWANA staff will decide upon themes/challenges each month, each Club within AWANA is responsible to execute, coordinate and manage the program within their respective clubs. For example, each Club Secretary/Director will decide upon:

- † Point values for participation
- † The winning team at the end of the month
- † The appropriate reward to the winning team and when to present it

It is our hope this program is fun and encourages Clubbers and Leaders alike to work together toward achieving a common goal each month.

For any questions or further clarification on this program or procedures, contact any AWANA Club Director or the Commander. <http://www.soncatchers.org/awana.html>
