Cottage A is the double-wide trailer outside the sanctuary foyer door #10. It is the closest trailer to Beulah St.

Cottage B is the double-wide trailer outside the sanctuary foyer door #10, behind Cottage A.

Cottage C is the single trailer outside the back double glass doors #1 by the office foyer area.

The gymnasium is on the same level as the sanctuary. This is where you can find a breakfast snack and coffee and this is where the boxed lunches will be.
